Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$800,000 for Beville State Community College, Fayette, AL, Industrial Maintenance and Welding Infrastructure Project in fiscal year 2010. The entity to receive funding for this project is Alabama Community College System located at 401 Adams Avenue, Montgomery AL 36104. The funding would be used for constructing and equipping a new career technical education facility for Beville State Community College. The facility will provide state-of-the-art training opportunities in the area of Welding Technology and Industrial Maintenance Technology. Taxpayer Justification: Increases training opportunities to create qualified workers through the nation's community college system.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
